### WHAT'S GASTROADVOCACY?

Immigrant Food's fresh, creative dishes reflect how we see America: diverse, nourishing and welcoming. Restaurants have been the place where immigrants made a living and showed off their heritage. We're taking it a step further and also making this a platform to advocate, hold events and educate about immigration. Call it:

We have instituted a 5% wellness charge that helps provide critical benefits to our employees. These benefits include paid sick leave and health insurance. This charge does not replace a tip, so please do remember to tip our staff, as 100% of your tip goes to the team's next paycheck.

A 20% gratuity is applied for parties of 4 or more. This charge, after tax, goes to increasing the wages of our employees to above the current minimum wage for all employees in DC. Tips are not expected, but always appreciated.
